*Today, January 22<sup>nd</sup>, marks the 99<sup>th</sup> anniversary of the Proclamation of Ukraine's Independence in Kyiv in 1918. Today is also the 98<sup>th</sup> anniversary (1919) of the unification of Western and Eastern Ukraine into one Nation.*

*Although the new Nation fell to the Soviet's military, this date has served as an annual rallying cry for Ukrainians in the free world.*

*With the fall of the Soviet Union, our prayers were answered in 1991 with Ukraine's Independence. Now, however, let us continue to pray that the Russian invasion will come to an end and our people can live in peace with all her neighbors.*
