To All Our Fellow Parishioners, Brothers & Sisters in Christ,

The hierarchs of our Church have nominated our parish for participation in the national study “Sharing Our Faith: Evangelization and Outreach in US Orthodox Christian Churches.” This study will help to better understand how Orthodox parishes and their members live out our Faith in the 21st century America, how they connect to their local neighborhoods, and how they reach out to non-Orthodox people.

We ask all of you to help our Church by taking part in this study. All you need to do is to complete an online questionnaire (the link to it is provided below). It will take about 20 minutes. Please be as honest as you can when completing the questionnaire: there are no “right” or “wrong” answers and the survey is completely anonymous. If you have several adult (age 18+) and teenage (age 14+) church members in your household, please make sure that everyone completes the survey independently from each other. Here is the link to the survey: click on it and complete the questionnaire. <http://www.surveymonkey.com/r/OurFaith>

We are most grateful to all of you for taking time to share your thoughts.
