This year we received many favorable comments from our parishioners who listened to the Christmas Liturgy over the radio and internet. They truly appreciated this annual outreach to our ill and elderly faithful. One e-mail received came from Winnipeg, Canada.

"The Nativity Liturgy was just so beautiful. The two hours just flew by. We could have listed two more. It is much appreciated."

THANK YOU! GOD BLESS YOU!

~To our choir director Markian Komichak and all choir members who sang in last Sunday's caroling in the Ukrainian Village Christmas Concert at St. Josephat Cathedral. Truly our choir uplifted the Christmas atmosphere with its performance as evident by the response from the audience.

~To all children who took part in the annual carol sing along between Liturgies. It was a joy for all to hear the young voices glorify our Lord's Nativity in song and readings. We sincerely thank Pani Matka Anna, Natalia Mahlay and Oksana Logvynyuk for preparing the children for the program and to all the parents who drove them to rehearsals.

January 22, 1973 is the sad anniversary in our country when the U.S. Supreme Court legalized the right of a woman to have an abortion. Every year on that day hundreds of thousands of people, mostly young people, annually demonstrate in Washington D.C. for a change of heart toward the killing of innocent babies. Remember the ancient teachings of our Orthodox Church, going back to the early centuries, that life begins at conception. Pray for a change of heart.

The First Ukrainian Independence Day

August 24, 1991 Ukraine proclaimed Independence from the former U.S.S.R. Ukrainians throughout the world celebrate that date. We in Parma hold our annual parade.

Since that glorious August date, many have forgotten or possibly do not know that January 22, 1918 was the original proclamation in Kyiv and January 22, 1919-100 years this year-the joining of both western and eastern Ukraine was proclaimed.

The freedom of our people did not last and the Soviet army crushed our young country.

Ukrainians in the United States annually reminded our American citizens of the struggle of our people for independence. In hundreds of American cities, mayors would issue proclamations on this occasion and the Ukrainian flag would fly over city halls. We truly were a

force against communism and the Soviets were always made aware of our demonstrations and desiring independence.

Recently I came across the schedule of events in New Jersey in 1977 around the January 22nd celebration. Truly our communities were always organizing events. The clergy always participated in these commemorations and at the same time working around the blessing of parishioners homes.

I hope you find this schedule of events, included in this morning's bulletin, of interest. At the same time we remember the departed men and women who showed their love for Ukraine by organizing the many events for many years

Their prayers, dreams and labor for an Independent Ukraine became a reality on August 24, 1991.

May their Memory be Eternal. *Vichnaya Pamyat.*

Please remember our sick and elderly parishioners in your prayers. Also, the clergy request that they be notified when parishioners are admitted to and/or discharged from the hospital and transferred to a nursing home and if a home visit is desired.

If you would like a family member to be greeted in the bulletin on the occasion of a birthday or anniversary, please phone the rectory no later than the Monday before you wish it to appear.

CHRIST IS BAPTIZED! - ХРИСТОС ХРЕСТИВСЯ!

When Thou, O Lord, was baptized in the Jordan, the worship of the Trinity was made manifest. For the voice of the Father bore witness to Thee and called Thee His beloved Son. And the Spirit, in the form of a Dove, confirmed the truthfulness of His Word. O Christ our God, who has revealed Thyself and has enlightened the world, Glory to Thee!
