Spiritual Reflections

What Size is God?

A boy asked his dad, "Dad, what size is God?" The father looked up at the sky, saw a plane, and asked his son, "What size is this plane?" The boy replied: "It is very small. It's hard for me to see it." Then the father took his son to the airport, and when they approached a plane, he asked, "So, son, what size is this plane?" The son replied, "Dad! It is huge!" Then his father told him, "The size of God depends on how close or far you are to Him. The closer you are to Him; the Bigger He will be in your life!"
