

On March 12, Governor Mike DeWine issued an executive order limiting mass gatherings. Following the advice of our elected officials and experts in the field of medicine, and with an abundance of caution, the Ukrainian Orthodox Community of Saint Vladimir Cathedral has decided to cancel the remaining dates of our 2020 Lenten Fish Fry, starting Friday, March 13 2020.

We understand the growing concern surrounding coronavirus (COVID-19) across our communities, and our hearts go out to all those who've been impacted. The health and happiness of our guests, friends, family, volunteers, and community is our highest priority. We are disappointed that the many attendees of our Lenten Fish Fry will not be able to enjoy our hospitality for the remainder of this season. And we appreciate everyone's understanding and commitment to our community.

We hope and pray that everyone has a safe, peaceful, and healthy Lenten season.
